REPUBLIC OF ALBANIA
DEPUTY PRIME MINISTER
MINISTER OF FOREIGN AFFAIRS

Tirana, on 31 October 2002

Mr. Director General,

The Albanian Government strongly supports the efforts of the International Atomic Energy Agency in the promotion of peaceful uses of nuclear energy in the service of its Member States. The IAEA Technical Cooperation Programme, in which Albania actively participates, has proven to be very effective in responding to the needs and priorities of Albania in a number of important fields.

Albania is a party to the NPT, article III of which provides, *inter alia*, that "Each non-nuclear weapon State party to the Treaty undertakes to accept safeguards, as set forth in an agreement to be negotiated and concluded with the IAEA ..."

Before becoming party to the NPT, Albania concluded a *sui generis* comprehensive safeguards agreement that entered in force on 25 March 1988 (INFCIRC/359). Albania wishes to move ahead with the fulfillment of all its commitments and obligations with the IAEA, including the signing and ratification of a protocol additional to its comprehensive safeguards agreement.

In view of the above, I would like to propose the following:

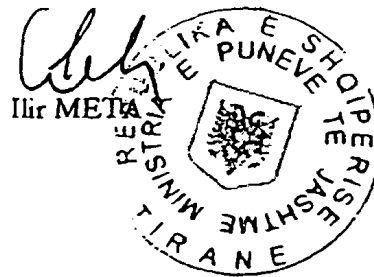

1. Albania and the IAEA consider that the Comprehensive Safeguards Agreement satisfies the obligation of Albania under Article III of the NPT.
2. Albania and the IAEA agree that the safeguards set forth in the Comprehensive Safeguards Agreement shall also apply, as regards Albania, in connection with the NPT.
3. Notwithstanding Article 25 of the SGA, the Comprehensive Safeguards Agreement shall remain in force as long as Albania is party to the NPT.

H.E.Mr. Mohamed ElBaradei
Director General

This proposal, as contained in the paragraphs 1 to 3 above shall, subject to a decision of the Board of Governors of the IAEA and your affirmative reply thereto, constitute an agreement between the Government of Albania and the IAEA, which shall enter into force on the date of the approval by the Board of Governors.

On behalf of the Government of Albania, I wish to reiterate Albania's commitment to proceed with the relevant steps leading to the signing and ratification of the Additional Protocol. Any suggestion on the part of the IAEA with regard to starting up and finalizing this process as soon as possible would be highly appreciated.

Accept, Mr. Director General, the assurance of my highest consideration.
